Dear **Parent/ Guardian**

Warm greetings from Seeta Parents fraternity, we give the glory and honor to God for the precious gift of your life and safety of your entire family. We sympathize with all those who have lost their dear ones. We are ready to receive our learners after the recent government announcement concerning the opening date of schools as 10th January 2022.

Our staff has attained numerous training to academically rejuvenate our learners who have been in an extended holiday.

Please take note of the following:

- Our school fees have remained the same and the same payment mode.
- We maintain the 30,000/= for pocket money to be paid to the secretary.
- All learners have been promoted to the next level.
- Endeavour to pick the medical form, requirement list and information form at school or download it on the school website www.seetaparents.org.
- Ensure that your child brings back the weekly workbooks that have been done during the Covid-19 holiday.
- Ensure that your child is well stocked with all necessary requirements e.g. books, masks, sanitizer etc. (All basic requirements must be brought)
- There will be no visits into the school premises after the return of the learners.
- Ensure thorough medical checkup has been done with your child .We shall call upon you in case the child is seriously ill.
